PRICE AND AVAILABILITY

Quotations issued (by phone, fax or email) are based on information available at that time. However, due to circumstances beyond our control, prices and availability are subject to change without notice.

MOVEMENT OF PRICE LABELS

Due to the movement of price labels, which is beyond our control, we reserve the right to ensure that the correct price is charged for any product or service.

PERENNIAL GUARANTEE

All **HARDY** Perennials are guaranteed for two full years from date of purchase for value paid. This does **NOT** apply to **Tender Perennials**. Refer to display sign and/or Price Lists for terms and conditions.

HELPFUL HINTS FOR WINTER SURVIVAL

1. Always plant perennials in well drained soil and not in 'low areas', where the root system can sit in water. This will reduce the risk that winter frost will 'heave' them out of the ground.
2. It is advantageous to mulch all perennials in the fall. Please remember to uncover in the spring, weather permitting.
