DELIVERY GUIDELINES:

DELIVERY PLACEMENT:

In general, deliveries fall into one of the two indicated formats shown at right (A or B). Indicate drop location when placing an order.

Please note that "Delivered" means "Delivered to curb line".

Please note that any deliveries made past the curb line are the complete responsibility of (and at the risk of) the purchaser.

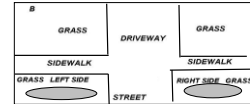

Our trucks are tractor trailers; they can not enter driveways or leave public roads and can only deliver within crane reach distances. Please be aware that any municipal bylaws, rules, or history will take precedence over any delivery requests.

Please inform the salesperson of the street is abnormally narrow or if there is a sharp turn involved, such as in a crescent.

If the purchaser does not have a cleared site for the product to be dropped, a double delivery charge and 25% re-stocking fee will apply.

Although we will do everything possible to accommodate special delivery requirements, we regret that we are unable to guarantee specific delivery times.

Unilock does not accept responsibility for delays in deliveries due to fire, floods, strikes, or any other conditions beyond its control.

PRODUCT:

Please check that your order complies with your request for goods and report any discrepancies within 24 hours.

All sales are made in accordance with the seller's samples that the purchaser has seen and approved. Please review your order to ensure that

your selection of stone and colour is correct. No guarantee of exact colour matches is made.

A 25% re-stocking charge will apply to any stone product returned to the Humber Nurseries yard, provided that the product is in re-sellable condition and is an item that is stocked at Humber Nurseries.

Such products are marked with an "S" in this price list.

A 25% re-stocking charge will apply to any and all stone products to be returned directly to Unilock. Shipping costs will be implemented at the manufacturer's discretion.

All returned products must be strapped onto a skid and in re-sellable condition and only full bundle quantities of products can be returned.

PALLET DEPOSIT:

Products shipped on Unilock identified pallets require a \$20.00 deposit per pallet.

A credit of \$17.00 is given to the purchaser upon the return (in good condition) of each pallet to Humber Nurseries by December 31 of the year in which it was purchased. Responsibility for the return of the pallet rests solely with the purchaser.
