Product code

Fiveleaf Akebia #AKEQU

Akebia quinata (9 m) Zone 5
Also known as chocolate vine. Vigorous semi-evergreen twining vine with attractive blue-green foliage. Small fragrant dangling purple flowers followed by sausage-shaped edible purple fruit.

Variety available: Silver Bells #AKEQUSB
White-pink flowers
2 gal.....25.99

Variegated Porcelain Vine #AMPBREL

Ampelopsis brevipedunculata 'Elegans' (6 m) Zone 6
Beautiful vine with green leaves variegated with white and pink. Showy inedible blue berries. Seeks support with coiling tendrils and is best for a fence or trellis.

Dutchman's Pipe #ARIDU
Aristolochia macrophylla (A. durior) (10 m) Zone 4
Vigorous twining native vine. Large deep green foliage, ideal for screening. Inconspicuous pipe-shaped fragrant brown flowers. Fruit is an inedible capsule. Best in moist, well-drained soil.

Trumpet Vine #CAMRA

Campsis radicans (10 m) Zone 5
Fast growing vigorous and colonizing native vine. Self-clinging but benefits from additional support. Trumpet-shaped orange-red flowers attract hummingbirds and Baltimore Orioles in summer. Tolerant of poor soils and salt. Ideal for screening or covering rock piles.

1 gal.....21.99
2 gal.....32.99

Varieties available: Flamenco #CAMRAFM
Red-orange flowers
2 gal.....24.99

Flava #CAMRAFL
Yellow flowers
2 gal.....24.99

Indian Summer #CAMRAIS
Apricot-orange flowers
1 gal.....21.99 2 gal.....32.99

Madame Galen #CAMRAMG
Salmon-red flowers
1 gal.....21.99

American Bittersweet #CELSC

Celastrus scandens (4 m) Zone 3
Vigorous native twining vine with dark green foliage turning yellow in fall. Female plants produce inedible red-orange berries when pollinated by male plants.

1 gal.....21.99

English (Baltic) Ivy #HEDHEBA

Hedera helix 'Baltica' (5 m) Zone 3
Valued for winter-persistent foliage and ability to thrive in deep shade. Also makes an excellent evergreen ground cover. As a vine it is self-clinging but needs a year or two to establish a good root system before it starts to climb. Also available in smaller sizes (see Ground Covers).

Also available: Ivy Green #HEDHETHES
Screen (Thorndale)

An ivy screen grown in a wire planter with a coco fibre liner and trained on a wire trellis. Ideal for an 'instant' screen.

PROTECT OVER WINTER
Please contact Humber Nurseries for Availability, Sizes and Pricing

Climbing Hydrangea #HYDANPE

Hydrangea anomala petiolaris (11 m) Zone 5
Superb self-clinging vine for sun or shade. Handsome glossy dark green foliage and exfoliating bark with fragrant white lace-cap flowers in summer. Best in moist, well-drained soil.

1 gal.....19.99 5 gal.....67.99
3 gal.....42.99 10 gal.....219.99

Climbing Honeysuckle #LONHBCS

Lonicera species (4-5 m) Zone 5
Vigorous twining vines with showy trumpet-shaped flowers in summer. Blue-green foliage.

Varieties available: Candy Swirl #LONHBCS
Pink and Orange Flowers
2 gal.....24.99

Dropmore Scarlet #LONBRDS
Scarlet-red flowers
1 gal.....21.99 2 gal.....32.99

Goldflame #LONHEGF
Red-gold-pink flowers
1 gal.....21.99 2 gal.....24.99

Hall's #LONJAHA
Fragrant white-yellow flowers
1 gal.....21.99

Hall's Prolific #LONJAPH
Profuse fragrant yellow-white flowers
2 gal.....24.99

Harlequin #LONPEHA
Pink-purple flowers, variegated foliage
2 gal.....24.99

Mandarin #LONBRMA
Red-orange flowers (Zone 3)
1 gal.....21.99 2 gal.....24.99

For plant insurance use Nutrite Bonemeal 4-10-0

- Slow release, non-burning formula
Ideal for transplanting all types of plants
Encourages root development and healthy growth
Enriched with calcium

Virginia Creeper #PARQU

Parthenocissus quinquefolia (18 m) Zone 2

Self-clinging, very vigorous native vine. Tough, versatile and adapts readily to almost any soil condition or exposure. Deep green foliage turns brilliant red in fall. Inedible dark blue berries are attractive to birds. Salt tolerant. Ideal low maintenance vine.

1 gal.....19.99 2 gal.....32.99

Also available:

Engleman's #PARQUEN

Smaller leaves and improved clinging ability
1 gal.....19.99 2 gal.....32.99

Boston Ivy #PARTRVE

Parthenocissus tricuspidata 'Vetchii' (8 m) Zone 4

Vigorous self-clinging vine with large lustrous dark green foliage turning bright red in fall. Tolerates wide variety of soil conditions. Inedible blue berries. Excellent vine for wall, trellis, screen or ground cover.

1 gal.....19.99 2 gal.....24.99

Blue Crown #PASCABC

Passion Flower

Passiflora caerulea 'Blue Crown' (2-3 m) Zone 7

Twining vine with striking blue-white-yellow flowers in summer. Dark green foliage. Small inedible orange-yellow fruit in fall. May freeze to the ground in cold winters but should regrow and flower the following spring if mulched.

PROTECT OVER WINTER

Please contact our Tropical Department for availability, size and pricing.

Silver Lace Vine #POLAU

Polygonum aubertii (5 m) Zone 5

Twining woody vine that is vigorous and fast growing. Needs the support of a fence, trellis or arbor. Fleece-like fragrant white flowers are produced in summer. Tolerant of poor and dry soils.
1 gal.....21.99 2 gal.....24.99

Summer Cascade (FE) #WISBRSC

Wisteria

Wisteria brachybotrys 'Betty Matthews'

(5-8 m) Zone 5

Deep lavender-blue flowers in late spring.
5 gal.....79.99

Japanese Wisteria #WISFL

Wisteria floribunda (8 m) Zone 4

Fragrant flowers in long clusters appear with leaves in spring. Flowers begin to open at top of cluster and gradually open toward bottom, prolonging bloom season but making less spectacular burst of colour than Chinese Wisteria.

Variety available:

Issai #WISFLIS

Lilac-blue flowers, light green foliage
1 gal.....29.99

Amethyst Falls #WISFRAF

American Wisteria

Wisteria frutescens 'Amethyst Falls' (3-4 m) Zone 6

Vigorous twining vine. Floriferous variety with fragrant blue flowers in spring. Light green foliage turns yellow in fall. Blooms at an early age on new growth. Insect and disease resistant.

1 gal.....29.99 2 gal.....36.99

Blue Moon #WISMABM

Kentucky Wisteria

Wisteria macrostachya 'Blue Moon' (5 m) Zone 4

Produces fragrant lavender-blue flowers up to 3 times per season if sited in full sun. One of the hardiest wisterias.

2 gal.....36.99 5 gal.....99.99

Chinese Wisteria #WISSI

Wisteria sinensis (5 m) Zone 4

Blooms before the leaves appear in spring. Flower clusters shorter than those of Japanese Wisteria, but make quite a show by opening nearly the full length of the cluster at one time. Slightly fragrant. Will bloom in shade. Fragrant, violet-blue-purple flowers.

1 gal.....29.99

Varieties available:

White #WISSIAL

White flowers
1 gal.....29.99

Clematis

Very popular climbing plant with a wide variety of colours, shapes, patterns and sizes. Flowers begin to open from spring through to autumn, depending on variety. Requires very little maintenance once established.
