PRICE AND AVAILABILITY

Quotations issued by phone, fax or email are based on information available at that time. However, due to circumstances beyond our control, prices and availability are subject to change without notice.

MOVEMENT OF PRICE LABELS

Due to the movement of price labels, which is beyond our control, we reserve the right to ensure that the correct price is charged for any product or services.

PERENNIAL GUARANTEE

All **HARDY** perennials are guaranteed for two full years from date of purchase for value paid. This does **NOT** apply to **Tender Perennials**. Refer to display sign and/or Price Lists for terms and conditions.

HELPFUL HINTS FOR WINTER SURVIVAL

1. Always plant perennials in well-drained soil and not in low areas where the root systems can sit in water. This will reduce the risk that winter frost will heave them out of the ground.
2. It is advantageous to mulch all perennials in the fall. Please remember to uncover in the spring, weather permitting.

NEW VARIETIES FOR 2018

PERENNIAL OF THE YEAR 2018 - MILLENIUM ORNAMENTAL ONION

Allium 'Millenium'

Compact upright clump of glossy, thick, green leaves with 5 cm purple ball clusters appearing just above the foliage on strong stems in mid to late summer. Flowers are attractive to butterflies. Plant in full sun.

HOSTA OF THE YEAR 2018 - WORLD CUP

Introducing the 2018 Hosta of the Year: 'World Cup'! This Hosta is a cross between 'Komodo Dragon' and 'Super Bowl'. The deeply cupped chartreuse leaves start out as a semi-upright mound and then mature into a vase shaped plant. Flowers are pale purple and borne in summer. The overall size of the plant is variable and dependant on location and soil quality.

HERB OF THE YEAR 2018 - HOPS

A perennial herb well known for flavouring beer. Medicinally used to calm nerves. It was believed that a pillow stuffed with hops will cure insomnia. A tall growing climbing vine.
